Re: Freedom of Information Act (FOIA) Request Number  
10-RIN-285-91

Dear Ms. Means:

This is the U.S. Environmental Protection Agency (EPA) response to your FOIA request of February 17, 1991, regarding the Colbert Landfill Superfund site. Mr. Neil Thompson, Project Manager, of our staff, clarified your request by phone on February 26, 1991, revising the above FOIA request to four specific documents. Copies of the following documents from the Colbert file are enclosed:

- Record of Decision
- Administrative Record Index
- Colbert Landfill Consent Decree
- Scope of Work for Remedial Action to Address Ground Water Contamination

The cost of providing this information is \$66.80 (for 312 pages duplicated at \$.15 per page, and \$20.00 for one hour of search time). A bill for these costs is enclosed.

This concludes the EPA Region 10 response to FOIA request number 10-RIN-285-91.

Sincerely,

A handwritten signature in cursive script, appearing to read "Philip G. Millam".

Dear Ms. Nielson:

This letter is a formal request for the release of documents under the Freedom of Information Act (FOIA).

I am requesting the following information from the Superfund and RCRA divisions, but not limited to:

1. Copies of any and all complaints, demands or requests by either government regulatory agencies (federal or state) or private parties concerning potential soil, surface water or groundwater contamination.
2. Copies of any investigation reports assessing hydrogeologic conditions at the site or summarizing any on-site and/or off-site groundwater and soil sampling results (including raw data and maps).
3. Copies of all lists that name Potential Responsible Parties (PRP's) at the Colbert Landfill/Key-Tronic site.
4. Copies of any newspaper articles, personal files or any other documents relating to the Colbert Landfill/Key-Tronic site.

Please view this request and respond indicating the type of documents, the approximate number of documents which may be made available to me. In addition, please forward a
